* indicates CEC credit offered ↺ indicates a new class or instructor added this year
(Code) refers to CEC categories listed on last page.

NOT A MEMBER OF CALCP???
JOIN TODAY and the first participant is FREE
with additional participants at the member rate.

New Member Incentive Fee

New Lawn Care membership will admit one person free, and additional persons at the member fee. Valid for **new** members only who have **never been members before**. Yes—we track it.

Lawn Care Membership (\$130): Any company engaged in the commercial application of fertilizers and pesticides in the state of Colorado, that meets all federal, state and local licensing requirements.

Colorado Dept. of Ag offers the Pesticide Applicators test for Qualified Supervisors and Certified Operators at 6 locations around the state in addition to Broomfield.

You must go on-line to schedule the tests at www.colorado.gov/ag/dpi.

Follow the instructions and wait for your acceptance email. Test is \$31.50 each category with no “do-overs” on same day.

305 Interlocken Parkway, Broomfield, 80021; 303-869-9065.

Room blocks reserved at

Ramada Plaza Inn

\$89 per night good through Feb. 19

303-452-4100 – Ask for CALCP Conference

Qualified Supervisors and Certified Operators must accumulate 7 Continuing Education Credits (CEC's) in certain **core** subjects and 1 CEC in **EACH** of the categories in which you are currently licensed except Turf Pest Control, Ornamental Pest Control, and Residential Commercial Pest Control which require 2 CEC's to maintain your status. Are **yours** up to date?

The Spring Training Conference can earn CEC's in the following categories:

Turf Pest Control 2 (206)	Laws & Regulations-2 (LR)
Ornamental Pest Control 2 (207)	Applicator Safety (AS)
Environmental Protection (EP)	Use of Pesticides (UP)
Pesticides & Their Families (PF)	Public Safety (PS)
Right of Way (109)	Rangeland (107)
Outdoor vertebrate (302)	Public Health (110)
Commercial/Residential Pest Control (304)	- need 2

Do your technicians have their **VERIFIABLE TRAINING** as required by the Colorado Department of Agriculture? The Spring Training Conference provides 16 hours of classroom training and instruction for applicator technicians, experienced technicians, sales technicians, and ongoing technicians. A "Training Verification Form" will be awarded at the Conference to those attending. Please instruct those non-licensed attendees to attend the **BASIC** classes offered just for them. **ADVANCED** classes are intended for CEC credits.
