**Qualified Supervisors** and **Certified Operators** must accumulate 7 Continuing Education Credits (CEC’s) in certain **core** subjects and 1 CEC in **EACH** of the categories in which you are currently licensed except Turf Pest Control, Ornamental Pest Control, and Residential Commercial Pest Control which require 2 CEC’s to maintain your status. Are **yours** up to date?

The Spring Training Conference can earn CEC’s in the following categories

Turf Pest Control 2 (206)	Laws & Regulations-2 (LR)
Ornamental Pest Control 2 (207)	Applicator Safety (AS)
Environmental Protection (EP)	Use of Pesticides (UP)
Pesticides & Their Families (PF)	Public Safety (PS)
Right of Way (109)	Rangeland (107)
Ag Weed (103)	Forestry (106)
Aquatic (108)	Commercial/Residential Pest Control (304)

Do your technicians have their **VERIFIABLE TRAINING** as required by the Colorado Department of Agriculture? The Spring Training Conference provides 16 hours of classroom training and instruction for the applicator technicians, experienced technicians, sales technicians, and ongoing technicians. A “Training Verification Form” will be awarded at the Conference to those attending. Please instruct those non-licenses attendees to attend the **BASIC** classes offered just for them. **ADVANCED** classes are intended for CEC credits.
