Earn Continuing Education Credits!

Do your technicians have their **VERIFIABLE TRAINING** as required by the Colorado Department of Agriculture? The Spring Training Conference provides 16 hours of classroom training and instruction for applicator technicians, experienced technicians, sales technicians, and ongoing technicians. A "Training Verification Form" will be awarded at the Conference to those attending. Please instruct those non-licensed attendees to attend the **BASIC** classes offered just for them. **ADVANCED** classes are intended for CEC credits.
