

## Colorado Arborists and Lawn Care Professionals (CALCP) Scholarship Application

### About CALCP

CALCP provides educational opportunities, support for research, and legislative advocacy to enhance the professionalism of Colorado's tree and lawn care industry. Our vision is to unite Colorado's green industry to make our state a better and safer place to live; a state where every tree and lawn care professional is properly trained, licensed and certified.

### Thank you for your pursuing the Green Industry. We would like to help you!

Students meeting the following criteria are encouraged to apply:

- Demonstrated leadership qualities
- High scholastic capabilities
- Continued interest in a green industry career

### Requirements for Applying or Re-Applying

Candidates must:

- be currently enrolled as a student towards a degree or certificate in a green industry field through an accredited college or an online course.
- hold a 2.5 grade point average in current field of study.
- intend to work in a green industry field within the state of Colorado.
- demonstrate leadership potential by membership and/or activity in industry organization is preferred.
- submit their answers to these three questions with their application:
  - *Describe your background, how you came to your current field of study.*
  - *What career goals do you have for yourself?*
  - *Describe how this scholarship would benefit you. Describe your financial need.*

### Application Procedures

Applications must be returned to CALCP via email [calcp@treeandlawncareco.org](mailto:calcp@treeandlawncareco.org).

### Application Deadline

Application form must be received no later than **May 31st**.

### Selection Procedure

Qualified applicants will be contacted for an in-person or phone interview. Scholarships will be awarded after the interview process the first part of June. Scholarships are awarded without regard to race, sex, age, creed, or national origin. Final selection rests with the CALCP Scholarship Committee.

## SCHOLARSHIP APPLICATION
